RESEARCH PRESENTATIONS:

Jan, 2007 Podium Presentation “Genitourinary trauma at a Combat Support Hospital during Operation Iraqi Freedom; The Impact of Body Armor.” Presented at The Kimbrough Urologic Seminar for Government Service Urologists, Houston, TX.

Dec, 2005 Grand Rounds at Ibn Sina Hospital, “Upper tract GU trauma”, Baghdad, Iraq.

- Feb, 2002 Podium Presentation, “Improved Prostate Cancer-Specific Survival and Other Parameters: The Effect of Prostate-Specific Antigen Testing” at Washington Urologic Society, Residents Day- Winner of Second prize for best Research Presentation, Washington, D.C.
- Feb, 2002 Podium presentation, “Improvements in pathologic staging for African-American men Undergoing radical retropubic prostatectomy during the PSA-era: Implications for screening a high risk group” at 8th annual Biennial Symposium on Minorities, the Medically Underserved, Washington, D.C.
- Dec, 2001 Podium presentation, “Improved Prostate Cancer-Specific Survival and Other Parameters: The Effect of Prostate-Specific Antigen Testing” at Kimbrough Urologic Seminar for Government Service Urologists, Seattle, WA.
- Dec, 2001 Podium presentation, “The Role of Radical Prostatectomy in Men presenting with Prostate-specific Antigen >40ng/ml” at Kimbrough Urologic Seminar for Government Service Urologists, Seattle, WA.
- Dec, 2001 Podium presentation, “Ureteral Obstruction in an 8 year-old girl Secondary to Fecal Impaction” at Kimbrough Urologic Seminar for Government Service Urologists, Seattle, WA.
- Oct, 2001 Podium Presentation, “Improved Prostate Cancer-Specific Survival and Other Parameters: The Effect of Prostate-Specific Antigen Testing” Mid-Atlantic Section, American Urologic Association, Hot Springs, VA.
- May, 2001 Poster Presentation, “Improvements in Pathologic staging for African-American men Undergoing Radical Retropubic Prostatectomy during the PSA-era: Implications for Screening a High Risk Group” American Urologic Association National Convention, Anaheim, CA.
- Jan, 2001 Podium Presentation “Improvements in Pathologic staging for African-American men Undergoing Radical Retropubic Prostatectomy during the PSA-era: Implications for Screening a High Risk Group” Kimbrough Urologic Seminar for Government Service Urologist, San Diego, CA.

March 2001, Podium Presentation, “Improvements in Pathologic staging for African-American men Undergoing Radical Retropubic Prostatectomy during the PSA-era: Implications for Screening a High Risk Group” at the Uniformed Services University, Research Day, Bethesda, Maryland. Winner, Joseph C. Baugh Award, best clinical research paper.

June, 2000 Podium Presentation “Improvements in Pathologic staging for African-American men Undergoing Radical Retropubic Prostatectomy during the PSA-era: Implications for Screening a High Risk Group” the American Cancer Society’s Meeting to determine recommendations for prostate cancer screening, Atlanta, Georgia.

March, 2000 Podium Presentation, “The Changing Face of Prostate Cancer: Evidence for the Effectiveness of Prostate Cancer Screening” at the Uniformed Services University Surgical Associated Day, Bethesda, Maryland, and chosen as a finalist for the Joseph C. Baugh Award.

Nov, 1995 “Pheochromocytoma of the Urinary Bladder” Podium presentation at the Kimbrough Urologic Seminar for Government Service Urologists, Washington, DC.

June 1995 Podium presentation “Posterior Sagittal anorectoplasty: Primary Repair of a Rectovaginal fistula in an Adult: report of a case” at the Washington State Chapter for the American College of Surgeons, Coeur d’Alene, Idaho.

AWARDS:

Winner “Doctor of the Month” at Ibn Sina Hospital, Baghdad, Iraq, Dec 2005

Winner of “Surgeon of the Year” at Womack Army Medical Center. Award based on number of patients seen, efficiency, and patient satisfaction. May 2005

Finalist for the Bailey K. Ashford Award, for best clinical research by a graduating resident or fellow at Walter Reed Army Medical Center. July 2002

Winner of Second Place in Category of Best Research Paper, “Improved Prostate Cancer-Specific Survival and Other Parameters: The Effect of Prostate-Specific Antigen Testing” presented at The Washington Urologic Society, Residents’ Day Competition, Feb, 2002.

Winner of the Joseph C. Baugh Award for best clinical research paper by a

Resident, “Improvements in Pathologic staging for African-American men Undergoing Radical Retropubic Prostatectomy during the PSA-era: Implications for Screening a High Risk Group” presented at the Uniformed Services University Surgical Associates Day, March 2001.

Winner: Best Case Presentation: “Small Cell Carcinoma of the Genitourinary Tract” at The Washington Urologic Society Residents’ Day Competition, February, 2001.

Finalist for the Joseph C. Baugh Award for best clinical research paper by a resident, “The Changing Face of Prostate Cancer: Evidence for the Effectiveness of Prostate Cancer Screening” presented at the Uniformed Services University Surgical Associates Day March 23, 2000.

Member of winning team for Urology Trivia Competition between residency programs of Washington D.C. and Baltimore MD. Dec., 1999.

Four-year Army Health Professions Scholarship 1990-1994.

Recipient of Brown University Summer Research Grant. "How Children with Diabetes Mellitus Cope with their Disease", 1990.

Four-year University of Rhode Island Alumni Merit Scholarship 1986-1990.

Nominated for NCAA Academic All-American, Track and Field University of Rhode Island, 1987.
